

Standard: traditional

$$\begin{array}{r} \textcircled{2} \quad \textcircled{2} \quad \textcircled{1} \\ \begin{array}{r} 28 \\ \times 6 \\ \hline 168 \end{array} \end{array}$$

A handwritten multiplication problem in purple ink. The numbers 28 and 6 are written in a cursive style. A horizontal dashed line is drawn above the 28, with a small '4' above it. A circled '2' with an arrow points to the '2' in 28. Another circled '2' with an arrow points to the '8' in 28. A circled '1' with an arrow points to the '6' in 6. A solid horizontal line is drawn below the 6. The product 168 is written below the solid line.
